

# Introduction to **CommunityViz**

*Free workshop, February 27*

CommunityViz is a decision support software program for community planning and resource management. It offers interactive mapping capabilities to support scenario planning analysis and dynamic visualization.

You are invited to a free, introductory CommunityViz workshop from 10-1 on February 27 at the NH Audubon McLane Center at 3 Silk Farm Rd. in Concord. For directions, see [www.nhaudubon.org/sanctuaries/silkfarm.htm](http://www.nhaudubon.org/sanctuaries/silkfarm.htm).

The session will cover:

- ▣ Uses of the program
- ▣ Data requirements
- ▣ Local case studies
- ▣ Presenting results to the public
- ▣ Financial & technical assistance

This is a *non-technical* workshop – no GIS experience is required.

RSVP to Maura Adams, 226-1009 x204, by Friday 2/22 to reserve a spot and help us plan for lunch. The workshop is limited to 60 participants.

*This workshop is presented by the University of New Hampshire / NH GRANIT and the Jordan Institute with support from the NH GIS Conservation Collaborative.*
